## Meebo Chat Component in Module position

Posted by bunik008 - 2009/06/22 16:29

---

Hi,

Is there a way to add the Meebo Chat Component in a module position?

hi thks, that is good idea.

so far, i havent thought of creating meebo chat as module extension.  
you can try to create by using Joomla Module Generator, you can follow this tutorial

or stay tuned.
