
As the name of the module where members logged out

Posted by Arturin - 2010/05/10 20:35

Hello ...

Sorry if I'm in the right place ... but I would like to know what it is called the module or component where the images come from members connected ... it is free or pay? thanks for your help

image is the one on the left side where are the pictures of the members .. do not know how to put a picture to let them know what I mean ...and where I can download

=====
